

InR 401k

InR 401(k) Plan Overview

The InR 401(k) plan offers participants a full array of low cost Vanguard Index Funds as well as pre-designed investment portfolio models that InR developed to fit participant investment needs and objectives. Companies already taking advantage of the innovative features of the InR 401(k) program receive:

- Fiduciary Protection for Plan Sponsors as the 3(38) Investment Manager
- Vanguard Mutual Funds that cover virtually all asset classes
- Five (5) pre-designed model portfolios designed to meet the individual needs of the participants
- Full disclosure of ALL FEES paid by participants
- 24/7 employee Internet access to individual accounts at www.inr401k.com
- Local, experienced service by InR, a trusted firm specializing in retirement plans
