

About the Youth Leadership Academy

The Delaware County Workforce Investment Board, Youth Council and The Foundation of the Delaware County Chamber of Commerce, are proud to sponsor a Leadership Academy for Delaware County high school sophomores. This program provides an outstanding opportunity for area 10th graders to meet and work with local business, government community and media leaders. They also have the opportunity to meet other students from around the county and to participate in a team communications project.

Our goal is to celebrate student achievement and the power of leadership, as well as to encourage Delaware County high school sophomores to become better prepared to take on future leadership opportunities. Our future depends so much on the next generation of individuals who are willing to accept the challenge.

Throughout the Academy, interactive sessions will address a variety of topics, including Leadership, Teamwork, Presentation Skills, and Communications.

NOTE: Application deadline is Monday, March 20, 2023

Benefits of Youth Leadership Academy

1. Students can add Youth Leadership Academy to their resume and to college applications for scholarships and special awards.
2. Students build professional relationships through networking with business, industry, government, academic and social service leaders.
3. Students build personal portfolios of team projects and presentations for future job and college applications.
4. In addition, students examine contingency approaches to leadership, leading in crisis, cognitive and emotive aspects of leadership, ethics and morality, followership, organizational design, and leading through change.
